undergraduate thesis exploring Japanese economic, cultural, and political advocacy movements in Hawai'i from 1900-1959.

University Scholars Program — *Fall 2025-Spring 2026*

My research for the program will be similar to that of my thesis, but will look to condense complex, long form historical analysis into something more approachable for the public. This includes the use and translation of Japanese-language sources into English in order to bring more nuance to the topic explored.
